## Have Fun - Reduce Your Risk

**RIDE AT YOUR OWN RISK:** Action Sports can be hazardous. Injuries can happen.

**RIDE SAFELY WITHIN YOUR ABILITY:** Many of the routes/lines and trails require advanced mountain bike and freestyle skills, including jumping. Maintain control at all times.

**LOOK BEFORE YOU LEAP:** This area contains both natural and man-made terrain which changes constantly due to weather, use, and maintenance. Do not ride or jump blindly.

**SHOW EACH OTHER RESPECT AND SHARE THE TRAIL:** Respect the land, wildlife, and the other visitors. Watch out for each other and stay clear of landing areas. Please do not ride the trails when muddy.

**BE SMART ABOUT THE CONDITIONS:** Pay attention to the weather, dress appropriately, and carry enough water.

**LOWER YOUR SADDLE FOR MORE FUN:** It is strongly recommended you lower your saddle before descents for improved bike handling.

**SAFETY EQUIPMENT:** This includes appropriate clothing, helmet, leg and elbow pads that fit properly. Serious injury or death can occur even with proper precautions.

EVERYONE SHOULD WEAR A HELMET
